

Luxury Vinyl

Luxury vinyl is a versatile flooring solution for residential, healthcare, retail, hospitality and senior living applications. It contributes to a quieter indoor environment, provides a comfortable underfoot experience, and a secure surface for wheelchair users due to its glue-direct-to-subfloor installation method.

Luxury vinyl is also quick and easy to repair. Pick a straight lay or herringbone pattern from the many readily available colors for timely fulfillment of durable and stylish flooring options.

LUXURY VINYL

Main Street 4.5 Collection

The Main Street Collection from Evoke is available in three specifications, each style using the same classic wood visuals. Choose the right option to meet your budget, installation, and maintenance needs.

Main Street 4.5 offers the ultimate in design flexibility, comfort underfoot, ease of installation or repair, and is acoustically superior as compared to typical luxury vinyl. Eliminates the need for transitions to other floors of similar height, and is extremely stable, making it very wheelchair friendly. Main Street 4.5 is suitable for residential or heavy-duty commercial applications.

Structure Collection

Structure offers design flexibility and can be installed in many patterns, including Herringbone, and seamlessly between rooms and with flooring of similar height. The reinforced fiberglass core ensures a secure and wheelchair-friendly flooring system with exceptional durability and performance. It's also one of the easiest flooring systems to repair.
